Obre't'ebre team

# Who we are

**Institut de l'Ebre** is a public secondary education center of FP located in Tortosa City. It was founded in 1928 under the name "Centro de Formación Técnico Industrial" and is one of the oldest in Catalonia. The Institut de l'Ebre has always responded to the training needs of our land, it has changed and evolved at the same time as society and is a center of reference in our region. It brings together more than 1200 students, 117 professors, of 27 training cycles of middle and upper level of: Administration and Management, Graphic Arts, Trade and Marketing, Electricity and Electronics, Energy and Water, Installation and Maintenance, Mechanical Manufacturing, Computing, Health, etc.

# What do we do?

## Training

*We respond to the training needs of our territory, it has been able to change and evolve the material times that make the society and is a reference center for our regions.*

## International mobility

*The international mobility service in our Institute aims to meet the teaching and learning needs of professional higher education students, regardless of the length of their studies or qualification. We help the students to do their internships abroad and promote the mobility learning abroad.*

## Job insertion

*We work to help our students to find a job concerning their studies and qualifications*

# Our team

## The board

... members are responsible for making important decisions regarding school policies, finances, and overall direction. It formed by a team of teachers experts in different areas.

## The faculty

...is formed by teachers, coordinator's department and the team of direction.

## Administration body

...is on charge of the administrative functions related to the management and general functioning of the institution (human resources, material resources, public attention, etc)

# Volunteer's tasks

HOURS: between 30 and 35h  
+ catalan lessons 2 h per week

Organize activities for students and improve their social participation in the Institute

English club for teachers and students

Mobility Department Support, Support development for Erasmus Plus projects

Work camps/Youth Exchanges during summer with Obre't Ebre

Diffusion of ECS and local participation: the volunteers need to participate at least in 3 different talks (schools, radio, etc) to explain the experience, and to participate in 6 different local actions to get to know the community where they are living (environmental, social, cultural...)

# Volunteer's tasks

Personal Project: Preparing your project is a compulsory activity for your personal development. Always need to coordinate with your hosting organization.
